Finish 캔버스 아트

D L T 2 weeks

A wide-angle photograph of a modern office space. The room features a high ceiling with a grid of recessed lights. The floor is made of light-colored wood. On the left, there is a grey sofa and a potted plant. The office is divided into several workstations by glass partitions with dark frames. Each workstation has a desk, a chair, and a computer monitor. Some workstations have additional shelving and plants. Large windows on the left side of the office provide a view of a dense city skyline. The overall atmosphere is bright and professional.

THANK YOU
